Summary

- I Have **1+ year of experience** in designing and developing user-friendly, responsive Front-End Applications and understanding of component-based architecture and unidirectional data flow.
- Proficiency in **React.js, Next.js, JavaScript(ES6+), TypeScript, Node.js, HTML5, CSS3**.
- Good Knowledge in **State Management** Tools like **Redux** And **React ContextAPI**, and Experience with **Restful APIs**.
- Good understanding in **Testing and Debugging** Tools like **Jest**.

Skills

- Language : **JavaScript (ES6), Java, Typescript, HTML5, CSS, SASS**.
- Frameworks/Libraries: **React.js (Redux, Router, Rest api, React Forms), Next.js, Tailwind CSS**.
- Tools/Testing: **Git/GitHub, Jest, npm**.

Experience

React.js developer, Tecspeak it Solutions Kolhapur, India

08/2023 – present

- My Role in a **Tecspeak it Solutions** is to Develop a banking application. I design and develop user-friendly web interfaces using React.js, Redux, React Router, React Forms and **increasing traffic**.
- My responsibilities include state management, API integration, and **UI/UX design optimization**. Drive clear requirements for the backend RESTful APIs working closely with the backend.
- Using React Form **Create account Opening Page** and **Loan apply Page**.
- Using **Data Structures and Algorithms**, applying them to optimize frontend **performance**.

Projects

• Google Search Engine: [Link](#)

Implemented real-time search functionality and API integration for **live search results**. Conducted thorough testing, debugging, and documentation to ensure code quality and functionality.

• University website: [Link](#)

Developed a University web app to provide Information about university and courses. Using api managing all back-end services. Using react.js, tailwind css build web app & user friendly experience.

Education

Bachelor's degree(B.Tech) in Electronics & Communication Engineering(ECE),

Visvesvaraya Technological University

CGPA : 7.1/10

2019 – 2023

Belagavi, India

Certificates

Karnataka State Council for Science And Technology(KSCST), Indian institute of science bangalore.

Selected Final year project and provided funds for development.
